CURRICULUM OVERVIEW

YEAR 3 &4 TERM 4, 2026

We are shaping bright futures and encouraging curiosity in our students. Providing curriculum overviews is our way to help our BPSS community to BELONG, TRUST AND FLOURISH.

A sense of BELONGing for our community from knowing what happens in our school. At BPSS, you can TRUST that we implement the Australian Curriculum using appropriate pedagogies to support all students. Here is a summary of the teaching, learning and assessment that will help your child to FLOURISH in term 4, 2026.

ENGLISH

Students will explore the novel The Twits by Roald Dahl, learning how authors use characters, settings and language to create entertaining stories. They will develop their reading and comprehension skills and use the novel as inspiration to create their own imaginative writing, focusing on descriptive language, sentence structure, paragraphs and spelling.

Assessment: Reading & Writing

MATHEMATICS

Students will build their understanding of numbers, place value and number patterns while developing strategies for addition, subtraction, multiplication and division. Through games, problem-solving and hands-on activities, they will also explore chance, make predictions and investigate the likelihood of different events occurring.

Assessments: Number task, Probability task

SCIENCE

Students will explore the properties of different materials and how these make them suitable for everyday uses. Through hands-on investigations, they will learn to conduct safe and fair tests, record observations, identify patterns and share their findings using tables, graphs and scientific language.

Assessment: Investigation

HASS

Students will explore how culture, traditions and communities shape our identity and sense of belonging. They will also learn about the importance of laws, local government and community services, while developing skills in asking questions, exploring events, respecting different viewpoints and finding ways to make a positive difference in their community.

Assessment: Cultural inquiry

HPE AND DIGITAL TECHNOLOGY

Teacher: Mr Christensen

Students will explore healthy food choices, nutrition and daily habits that support their wellbeing. Through games and physical activities, including Danish Longball, they will develop their throwing, catching, striking and running skills while learning about teamwork, safety and game strategies.

Assessment: PE skills, Healthy Choices Poster, Digital Food Plan
